**Our commitment to excellence
in every aspect of business.**

RCB International, Ltd. is pleased to announce the certification to FSSC 24000 (version 1), a social management system. We are the first company in the United States, and first in our industry to receive this certification. It is a scheme that aligns with an ISO standard of management system and risk-based approach to achieve social and sustainability objectives and performance requirements. We continue to strive for innovation in all areas of business and value opportunity for continuous improvement on crucial social issues.
